Best Contract Framer & Custom Home Builder - Norfolk County

Distinctive Creations, Inc.

Dedicated to quality and client service, Distinctive Creations, Inc. is an innovative custom homebuilder based in Wrentham. We profile the firm to learn more about the range of services it has to offer and how these have driven it to the success it currently enjoys.

F

ounded in 1996, Distinctive Creations, Inc. is committed to building the highest quality homes, additions, and remodeling projects.

When Owner and Founder Charles Fruci, Jr. first establish DCI, he set out on a mission to always exceed the highest building standards and use only the best quality building material.

Today, the firm's team of dedicated and enthusiastic professionals is committed to exceeding their client's expectations from their first meeting, through to the completion of the project and beyond.

“Across both the general contracting market and the framing sector the firm can provide clients with exceptional quality service that meets any need. The Distinctive Creations team believe in honesty and integrity is a key factor in driving its success.”

Thanks to this innovative approach and focus on quality, over the years Distinctive Creations has developed exceptional relationships with its valued clients, and in a number of cases has built multiple homes for them or continued to add on to their homes as their families have grown.

Across both the general contracting market and the framing sector the firm can provide exceptional quality service that meets any need. The Distinctive Creations team believe in honesty and integrity and will always conduct themselves in a professional and courteous manner, and as such clients can rest assured that they will receive only the very best when they work with this innovative and dynamic custom builder.

Ultimately, it is Distinctive Creations' reputation for excellence that has driven it to the success it enjoys today. Looking to the future, the firm will continue to enhance this reputation and drive itself to even greater success over the years ahead.
